3.5 gallons (13.248 liters)

Ferticell[®]
Cellular Nutrition

CAUTION

Keep out of the reach of children. Do not expose to direct sunlight, extreme heat or cold. Spotting may occur when making foliar applications after fruit set.

Calcium 880 Plus is an organic calcium for foliar or soil application. Ferticell Calcium 880 Plus will stay in suspension for long periods of time in the mixing tank with minimal agitation when adding one part of Calcium 880 Plus with 300 parts of water. Application rates will vary due to soil tilling methods, climate conditions, and the frequency of applications.

Due to the fact that soil, weather, and crop conditions may vary, Agroplasma Inc. makes no guarantees or warranties, whether expressed or implied concerning the use of this product. The user of this product takes full responsibility and assumes all risks of usage or handling of this product, whether application instructions were followed or not.
